An extraordinary new novel of art, love, and ambition from Lily King, the New York Times bestselling author of *Euphoria* Following the breakout success of her critically acclaimed and award-winning novel *Euphoria*, Lily King returns with an unforgettable portrait of an artist as a young woman. Blindsided by her mother's sudden death, and wrecked by a recent love affair, Casey Peabody has arrived in Massachusetts in the summer of 1997 without a plan. Her mail consists of wedding invitations and final notices from debt collectors. A former child golf prodigy, she now waits tables in Harvard Square and rents a tiny, moldy room at the side of a garage where she works on the novel she's been writing for six years. At thirty-one, Casey is still clutching onto something nearly all her old friends have let go of: the determination to live a creative life. When she falls for two very different men at the same time, her world fractures even more. Casey's fight to fulfill her creative ambitions and balance the conflicting demands of art and life is challenged in ways that push her to the brink. *Writers & Lovers* follows Casey--a smart and achingly vulnerable protagonist--in the last days of a long youth, a time when every element of her life comes to a crisis. Written with King's trademark humor, heart, and intelligence, *Writers & Lovers* is a transfixing novel that explores the terrifying and exhilarating leap between the end of one phase of life and the beginning of another.

THE BOOK I LOVE Band 7 der CHICAGO DEVILS

THE FIVE PEOPLE YOU MEET IN HEAVEN is a wonderfully moving fable that addresses the meaning of life, and life after death, in the poignant way that made TUESDAYS WITH MORRIE such an astonishing book. The novel's protagonist is an elderly amusement park maintenance worker named Eddie who, while operating a ride called the 'Free Fall', dies while trying to save a young girl who gets in the way of a falling cart that hurtles to earth. Eddie goes to heaven, where he meets five people who were unexpectedly instrumental in some way in his life. While each guide takes him through heaven, Eddie learns a little bit more about what his time on earth meant, what he was supposed to have learned, and what his true purpose on earth was.

Throughout there are dramatic flashbacks where we see scenes from his troubled childhood, his years in the army in the Philippines jungle, and with his first and only love, his wife Marguerite. *THE FIVE PEOPLE YOU MEET IN HEAVEN* is the perfect book to follow *TUESDAYS WITH MORRIE*. Its compellingly affecting themes and lyrical writing will fascinate Mitch Albom's huge readership. **JAMES BEARD AWARD FINALIST** • The New York Times bestselling collection of 130 easy, flavor-forward recipes from beloved chef Yotam Ottolenghi. The majority of these potential job seekers were currently employed (86%). Others were out of work or seeking to reenter the workforce after time spent in retirement or homemaking. ... This study has identified that there is a large pool of individuals actively seeking work, as well as potential job seekers, in the Kearney labor market area. The findings can be used to better understand what is important to these active and potential job seekers and the barriers that may see to accepting a new job. Economic developers, educators, employers, legislators, and others involved in shaping the local economy can use this information to help existing businesses grow and attract new employers and workers to the area" (page 5). "In the early hours of a summer morning, a young woman steps into the path of an oncoming bus. A tragic accident? Or suicide? At the center of this puzzle is Adrian Wolfe, a successful architect and grief-stricken widower, who, a year after his third wife's death, begins to investigate the cause. As Adrian looks back on their brief but seemingly happy marriage, disturbing secrets begin to surface"--Amazon.com.
