The sixteen connected stories in this exciting debut are set in the fictional Midwestern town of Gateway City, where second generation off-spring of the Great Migrators have pieced together a thriving, if fragile existence. With police brutality on the rise, the civil rights movement gaining momentum, and wars raging at home and abroad, Asim has conjured a community that stands on edge. In The Wheat from the Tares and A Virtuous Woman, Rose Whittier deals with her abusive husband with a desperate resignation until his past catches up with him and she's given a second chance at love. And Gabriel, her suitor, realizes that his whole-hearted commitment to The Struggle may have to give way for his own shot at romance.
