Ryeland, hero of the worldwide bestseller Magpie Murders, a brilliantly complex literary thriller with echoes of Agatha Christie from New York Times bestselling author Anthony Horowitz. Retired publisher Susan Ryeland is living the good life. She is running a small hotel on a Greek island with her long-term boyfriend Andreas. It should be everything she's always wanted. But is it? She's exhausted with the responsibilities of making everything work on an island where nothing ever does, and truth be told she's beginning to miss London. And then the Trehearnes come to stay. The strange and mysterious story they tell, about an unfortunate murder that took place on the same day and in the same hotel in which their daughter was married--a picturesque inn on the Suffolk coast named Farlingaye Hall--fascinates Susan and piques her editor's instincts. One of her former writers, the late Alan Conway, author of the fictional Magpie Murders, knew the murder victim--an advertising executive named Frank Parris--and once visited Farlingaye Hall. Conway based the third book in his detective series, Atticus Pund Takes the Cake, on that very crime. The Trehearne's daughter, Cecily, read Conway's mystery and believed the book proves that the man convicted of Parris's murder--a Romanian immigrant who was the hotel's handyman--is innocent. When the Trehearnes reveal that Cecily is now missing, Susan knows that she must return to England and find out what really happened. Brilliantly clever, relentlessly suspenseful, full of twists that will keep readers guessing with each revelation and clue, Moonflower Murders is a deviously dark take on vintage English crime fiction from one of its greatest masterminds, Anthony Horowitz. "A double puzzle for puzzle fans, who don't often get the classicism they want from contemporary thrillers." —Janet Maslin, The New York Times New York Times bestseller | Winner of the Macavity Award for Best Novel | #1 Indie Next Pick | NPR best book of the Year | Washington Post best book of the Year | Esquire best book of the Year From the New York Times bestselling author of Moriarty and Trigger Mortis, this fiendishly brilliant, riveting thriller weaves a classic whodunit worthy of Agatha Christie into a chilling, ingeniously original modern-day mystery. When editor Susan Ryeland is given the manuscript of Alan Conway's latest novel, she has no reason to think it will be much different from any of his others. After working with the bestselling crime writer for years, she's intimately familiar with his detective, Atticus Pünd, who solves mysteries disturbing sleepy English villages. An homage to queens of classic British crime such as Agatha Christie and Dorothy Sayers, Alan's traditional formula has proved hugely successful. So successful that Susan must continue to put up with his troubling behavior if she wants to keep her job. Conway's latest tale has Atticus Pünd investigating a murder at Pye Hall, a local manor house. Yes, there are dead bodies and a host of intriguing suspects, but the more Susan reads, the more she's convinced that there is another story hidden in the pages of the manuscript: one of real-life jealousy, greed, ruthless ambition, and murder.
