Reading Games Jan 26 2023 In Reading Games, Kimberly Bohman-Kalaja guides us through an entertaining and instructive exploration of a neglected literary genre, the Play-Text. Focusing on the works of Flann O'Brien, Samuel Beckett, and Georges Perec, Bohman-Kalaja's book provides insightful analysis of game and play theories, as well as a new perspective on the world of experimental fiction -- discovering, step by step, the innovative strategies of those authors who play reading games.

The Blue River Valley Jan 14 2022 Daddy. She pierced him suddenly with her green eyes. You know what it is, stop pretending. Im grown up now; tell me what it is! Cathy, you always said you didnt want to know; it made you feel different, you didnt want to know. And youre not grown up. I said a lot of things. But now I want to know. Youre not grown up, youre... He stared into her burning eyes for a long time, having known for sixteen years that this moment would one day come, that she would have to know the truth someday. Its called Mist, he heard his voice saying. Its a powerful field, something along the lines of magnetism. You know, that game we used to play on the kitchen table, Cathy; when you tried to push the positive sides of your magnets together and they repelled each other, and one scooted away without even touching the other, and how you used to giggle? She studied him for a long time. But when I reversed one of them, they didnt repel, they attracted. He looked away from her, his little girl, the miracle. Fear throbbed in his eyes as he stared out the window at the Blue River Valley beyond the farmhouse. He had always known that they couldnt hide here, nor anywhere. She would never be safe, not anywhere on Earth, not anywhere in the universe. He had always known that this day would come. Mist, Cathy said, breaking him out of his stare. Mist. Thats the field that surrounds you. Daddy, am I human?

The State Trooper Jul 28 2020

Freedom, Fatalism, and Foreknowledge Jul 20 2022 This book collects sixteen previously published articles on fatalism, truths about the future, and the relationship between divine foreknowledge and human freedom. It includes a substantial introductory essay and bibliography. Many of the pieces collected here build bridges between discussions of human freedom and recent developments in other areas of metaphysics, such as philosophy of time.

The Best New Horror 6 Jun 07 2021 The Best New Horror has established itself as the world's premier annual, showcasing the talents of the very best writers working in the horror and dark fantasy field today. In this latest volume, the multi-award winning editor has chosen razor-sharp stories of suspense and disturbing tales of terror by writers on the cutting edge of the genre. Along with a comprehensive review of the year and a fascinating necrology, this is the book no horror fan can afford to miss.

Performing Widowhood on the Early Modern English Stage Sep 29 2020 The deaths of husbands radically changed women's lives in the early modern period. While losing male protection, widows acquired rare opportunities for social and economic independence. Placed between death and life, female submissiveness and male audacity, chastity and sexual awareness, or tragedy and comedy, widows were highly problematic in early modern patriarchal society. They were also popular figures in the theatre, arousing both male desire and anxiety. Now how did Shakespeare and his contemporaries represent them on the stage? What kind of costume, props, and gestures were employed? What influence did actors, spectators, and play-space have? This book offers a fresh and incisive examination of the theatrical representation of widows by discussing the material conditions of the early modern stage. It is also the only comprehensive study of this topic covering all three phases of Elizabethan, Jacobean, and Caroline drama.

More Rip-roaring Reads for Reluctant Teen Readers May 18 2022 Introduces forty contemporary books aimed at readers in grades 5 through 12, giving information about the author, a plot summary, suggestions for introducing the book to students, and a section on additional activities.

Sherwood Dec 25 2022 A Tabletop RPG inspired by Robin Hood and other fantastical outlaw tales.

Summer of the Dudes Apr 24 2020 Leave No Dude Behind! It's gonna be a summer like no other. Luckily, the Dudes are prepared to take on: · Being Lost at Sea! · An Earthquake! · Bigfoot! · A Robot Invasion! And... · Teresa's pet Chihuahua! Don't miss the mayhem! Another suburban summer with nothing to do...unless you're the Dudes! Come along as the Dudes become river rafting commandos, pull off a remote-controlled heist, and track a cryptid to its lair. Start your summer off with a laugh in Summer of the Dudes! All new outdoor adventures! If you liked Save the Dudes and Dudes Take Over, you'll love the hilarious adventures in Summer of the Dudes! The perfect reading for summer vacation! Fun on an epic scale for preteens! The Dudes Adventure Chronicles is a series for intermediate readers 8-14 who can't get enough madcap adventure and hilarious hijinks. Each chapter book provides several stories realistic enough and wacky enough to keep them reading to the delicious conclusion. The Dudes are a diverse group of preteen boys whose clever ways to screw up turn their suburban neighborhood upside down. Spoilers: Classic humor without movie tie-ins or fart jokes! Appeals to modern middle grade readers who like funny, realistic fiction without a tacked-on message or ripped-from-the-headlines problem. If you like Beverly Cleary's Henry Huggins or Barbara Robinson's The Worst Best Christmas Pageant Ever, you'll love the Dudes! Warning to Parents: The Dudes's insane take on parents, school, and the PTA just might be catching. Anecdotal evidence suggests that readers of the Dudes may imagine some resemblance between the Dudes' parents and their own. Makes a Great Gift or a Perfect Stocking Stuffer. Great read-a-loud for the whole family. Crazy funny!

Incinerator Aug 29 2020 As the owner/manager of a gym, life for Finn Maguire is mercifully quieter after the murderous events of CRUSHER. But when his business partner Delroy is targeted by vicious loan sharks, and Finn's trusted lawyer Nicky apparently absconds with all of his money, he is dragged back into the murky criminality of the London underworld. Dark secrets run deep here - and there's danger at every turn. Someone wants Finn to lay low and stop asking questions - and will stop at nothing to silence him...

The Magazine of Fantasy & Science Fiction Feb 03 2021

Inside Science Sep 10 2021 Context and situation always matter in both human and animal lives. Unique insights can be gleaned from conducting scientific studies from within human communities and animal habitats. *Inside Science* is a novel treatment of this distinctive mode of fieldwork. Robert E. Kohler illuminates these resident practices through close analyses of classic studies: of Trobriand Islanders, Chicago hobos, corner boys in Boston's North End, Jane Goodall's chimpanzees of the Gombe Stream Reserve, and more. Intensive firsthand observation; a preference for generalizing from observed particulars, rather than from universal principles; and an ultimate framing of their results in narrative form characterize these inside stories from the field. Resident observing takes place across a range of sciences, from anthropology and sociology to primatology, wildlife ecology, and beyond. What makes it special, Kohler argues, is the direct access it affords scientists to the contexts in which their subjects live and act. These scientists understand their subjects not by keeping their distance but by living among them and engaging with them in ways large and small. This approach also demonstrates how science and everyday life—often assumed to be different and separate ways of knowing—are in fact overlapping aspects of the human experience. This story-driven exploration is perfect for historians, sociologists, and philosophers who want to know how scientists go about making robust knowledge of nature and society. *Advances in Design for Cross-Cultural Activities* Jan 02 2021 This volume explores decision-making styles, including cooperative, collaborative, avoidant, competitive, and dominate that are commonly modified by the culture. Culture is not a stagnant phenomenon, and many variables need to be considered to accurately evaluate cultural differences in decision-making styles. Among many cultural factors, the individual ("I" culture) – collectivism ("we" culture) dimension is one of the most important influential factor to be considered when studying culture difference, including decision-making styles.

Sherwood's End Aug 09 2021 Sometimes a great love won't let go...until you believe. The elite Pinnacle Boarding School for Girls is renowned for keeping away far more high school applicants from its hallowed halls than it lets in. But lately, someone has been lurking in shadows, writing cryptic messages on mirrors, and putting people's lives in peril. When Robin and Creek begin to suspect that this otherworldly guest may have a connection to a tragedy in Creek's past—and isn't about to go away anytime soon—they return to Robin's Alma Mater to try and uncover the truth behind the mysterious spirit's rage. What they discover is a love story for the ages that leaves them breathless and inspires healing and hope for all those who dare to believe in miracles.

Walter Sherwood's Probation Feb 15 2022 Purchase one of 1st World Library's Classic Books and help support our free internet library of downloadable eBooks. Visit us online at www.1stWorldLibrary.ORG - - "Here's a letter for you, Doctor Mack," said the housekeeper, as she entered the plain room used as a library and sitting-room by her employer, Doctor Ezekiel Mack. "It's from Walter, I surmise." This was a favorite word with Miss Nancy Sprague, who, though a housekeeper, prided herself on having been a schoolmistress in her earlier days. "Indeed, Nancy. Let me see it. Walter is really getting attentive. His last letter came to hand only two days since. He hasn't forgotten his old guardian."

An Alaska Anthology Apr 05 2021 Alaska, with its Indian, Eskimo, and Aleut heritage, its century of Russian colonization, its peoples' formidable struggles to wrest a living (or a fortune) from the North's isolated and harsh environment, and its relatively recent achievement of statehood, has long captured the popular imagination. In *An Alaska Anthology*, twenty-five contemporary scholars explore the region's pivotal events, significant themes, and major players, Native, Russian, Canadian, and American. The essays chosen for this anthology represent the very best writing on Alaska, giving great depth to our understanding and appreciation of its history from the days of Russian-American Company domination to the more recent threat of nuclear testing by the Atomic Energy Commission and the influence of oil money on inexperienced politicians. Readers may be familiar with an earlier anthology, *Interpreting Alaska's History*, from which the present volume evolved to accommodate an explosion of research in the past decade. While a number of the original pieces were found to be irreplaceable, more than half of the essays are new. The result is a fresh perspective on the subject and an invaluable resource for students, teachers, and scholars.

Fantasy & Science Fiction Jul 08 2021

Robin Hood in Outlawed Spaces Oct 23 2022 Following in the tradition of recent work by cultural geographers and historians of maps, this collection examines the apparently familiar figure of Robin Hood as he can be located within spaces that are geographical, cultural, and temporal. The volume is divided into two sections: the first features an interrogation of the literary and other textually transmitted spaces to uncover the critical grounds in which the Robin Hood 'legend' has traditionally operated. The essays in Part Two take up issues related to performative and experiential space, demonstrating the reciprocal relationship between page, stage, and lived experience. Throughout the volume, the contributors contend with, among other things, modern theories of gender, literary detective work, and the ways in which the settings that once advanced court performances now include digital gaming and the enactment of 'real' lives.

Disparate Voices Dec 01 2020 DISPARATE VOICES (Spectral Sisters Productions Short Play Anthology) contains 25 exiting original short plays (usually in a ten minute format) by local and regional writers from Central Louisiana. Topics range from the sexual orientation of Klu Klux Klan members or Tweedledee and Tweedledum, to steroid use among athletes, with lots of unexpected subjects in-between. Some of the plays will make you laugh, some make you cry, while others make you ponder the universality of the human condition. Each work was accepted and produced in the context of the Spectral Sisters Productions Ten-Minute Play Festival, a developmental theater project going on for over a decade in Alexandria, Louisiana. These short plays, very different in subject matters and writing styles, offer something for the actor, producer, educator, sociologist and, of course, the casual reader to enjoy. While the Heart of Louisiana may not have a reputation for progressive creativity, these works prove that remarkable creativity can be nurtured in the most surprising of locations and yield a dramatic harvest that the whole nation and the entire English-speaking world can enjoy. Please share in our inspiration! Support for DISPARATE VOICES was received through a grant from the Louisiana Division of the Arts in cooperation with the Louisiana State Arts Council as administered by the Arts Council of Central Louisiana.

Chicks 'n Chained Males May 06 2021 AMAZONS 'R US Continuing a great tradition, Chicks 'n Chained Males is not what you think. That place is down the block, on another street, in another city. In fact, if that's what you're looking for one of our Chicks, Helga her name is, will be over shortly to give you a send-off you won't soon forget. (The term Bouncer takes on a whole new meaning....) All we have here is a bunch of perfectly healthy babes in brass bras and chain-link bikinis, bearing broad swords and filled with good intentions. Never would such as they stoop to the exploitation of those poor chained males who have suddenly found themselves under their protection and succor. Never would they force those poor boys to do anything they did not wish to do; perish that thought on the nearest sharp blade! No-no! these chicks are here to rescue these victims of male-abuse from any number of Fates Worse Than Death.... Right here. Right now. At the publisher's request, this title is sold without DRM (Digital Rights Management).

The Philosophers' Game Nov 19 2019 An exploration of the history of a mathematical board game played in medieval and Renaissance Europe

Geschichte und Litteratur des Schachspiels Nov 12 2021

Evolvements of Early American Foot Ball Oct 11 2021 This book is a revision/extension to the author's first book. With the recent availability of digitized old newspapers and magazines, much more foot ball data have been found for the 1800s. The games are again divided into three basic forms of foot ball; but now are listed under the actual style names used at the times played. They are the Kicking Game/Association Football (now soccer), Carrying Game/Boston Rules Game/American Rugby Game/ English Rugby Union (now rugby) and the Ball-Control Game/American Collegiate Game/American Rugby Football (now football). Within these basic forms, the games are listed under colleges, independent clubs and high schools. There is a chapter on leagues/conferences and the appendices contain team histories with the types of foot ball played.

Pioneering Conservation in Alaska Mar 24 2020 Pioneering Conservation in Alaska chronicles the central land and wildlife issues and the growth of environmental conservation in Alaska during its Russian and territorial eras.

Cinderella at the Big Dance Oct 31 2020 One of the biggest draws on the sports calendar, the NCAA men's basketball tournament routinely thrills fans with "bracket buster" upsets. From Loyola Marymount's emotional 1990 run following the death of team leader Hank Gathers to UMBC in 2018 becoming the first 16-seed to defeat a 1-seed, March Madness holds the sporting world captive for a few weeks each year and changes the lives of players. Drawing on dozens of original interviews, this book chronicles the tournament's many underdog underdog tournament runs, with insights into the teams beyond their exploits on the hardwood.

Encyclopedia of International Games Jun 26 2020 The Olympic Games, revived in 1896, are the most well known international multisport gathering—but since 1896, hundreds of other competitions based on the Olympic Games model have been established whose histories have not been well documented. The Encyclopedia of International Games captures (in one alphabetical sequence) the histories of these games, many of them for the first time. The work includes major regional events such as the African, Asian, Arab, South Pacific, and Pan American Games; competitions such as the Indian Ocean Island Games, Arctic Winter Games, Island Games, and Games of the Small Countries of Europe; specific populations or professions such as the North American Indigenous Games, Maccabiah Games, World Military Games, World Police and Fire Games, and World Medical and Health Games; and Special Olympics, the Paralympics, games for the blind, and other regional games. Eight appendices, notes, bibliography, index.

The King's Demon Nov 24 2022

In On the Joke Dec 21 2019 “A sensitive and vivid study of early female stand-ups... [Levy is a] painstaking, knowledgeable guide.” —New York Times Book Review A hilarious and moving account of the trailblazing women of stand-up comedy who broke down walls so they could stand before the mic—perfect for fans of The Marvelous Mrs. Maisel and Hacks Today, women are ascendant in stand-up comedy, even preminent. They make headlines, fill arenas, spawn blockbuster movies. But before Amy Schumer slayed, Tiffany Haddish killed, and Ali Wong drew roars, the very idea of a female comedian seemed, to most of America, like a punch line. And it took a special sort of woman—indeed, a parade of them—to break and remake the mold. In on the Joke is the story of a group of unforgettable women who knocked down the doors of stand-up comedy so other women could get a shot. It spans decades, from Moms Mabley's rise in Black vaudeville between the world wars, to the roadhouse ribaldry of Belle Barth and Rusty Warren in the 1950s and '60s, to Elaine May's co-invention of improv comedy, to Joan Rivers's and Phyllis Diller's ferocious ascent to mainstream stardom. These women refused to be defined by type and tradition, facing down indifference, puzzlement, nay-saying, and unvarnished hostility. They were discouraged by agents, managers, audiences, critics, fellow performers—even their families. And yet they persevered against the tired notion that women couldn't be funny, making space not only for themselves, but for the women who followed them. Meticulously researched and irresistibly drawn, Shawn Levy's group portrait forms a new pantheon of comedy excellence. In on the Joke shows how women broke into the boys' club, offered new ideas of womanhood, and had some laughs along the way.
