*Practical English Level 365 Volume 1 Answer Key* Feb 25 2021 The primary objective for providing this ANSWER KEY is to ease the burden of the teacher in marking the assignments. Many Teaching Assistants can use it to mark the assignments for the teacher. Even in situations where teachers have no Teaching Assistants, the class teacher may employ the conventional method of engaging the students in a-quick-in-class marking where students mark each other's assignments. Although I do not consider Practical English Level 365 completely self-instructional, some students, with the help of this ANSWER KEY, can use the text book with little or no help at all from professional teachers and/or parent-teachers. Kaayire Akosomo Nyantakyi is a Ghanaian by birth and an American citizen by naturalization. He is a seasoned teacher and author. Kaakyire holds a Bachelor's Degree in English from the Oklahoma State University in Stillwater, Oklahoma and Master's Degree in Creative Writing from the Queen's College of the City University of New York. Kaakyire is married to Mrs. Alice Nyantakyi. They have 5 children.
